Terms

First quality stock, single rhizomes, true to name.

Cash net with order. Discount of ten per cent on orders of more than thirty dollars and discount of five per cent on orders of more than ten dollars from A.I.S. members.

Dealers should write for wholesale rates or for quotations on varieties they desire. We have a fine collection of the newer varieties and will quote prices on application. We only keep varieties which are good growers. Lieutenant Peckham is in the Navy but the garden is being carried on by his family under his instructions.

We can not undertake responsibility for growth or flowering results. All stock is in good condition when shipped, and, with proper care, it should thrive under normal conditions.

No substitutions unless ordered.

Wholesale, ten per cent discount on orders of ten or more of a variety.

Please include twenty-five cents on orders of less than two dollars to cover packing and postage.
